Dear friend,

Thank you so much for returning the questionnaire on "Spotlight", a 15 minute English program introducing songs of a particular Chinese singer or theme. You have really helped me a lot in improving my programs to cater to your needs.

To express my appreciation, I have enclosed a picture of a Chinese singer so that you can have a better idea of the person you have heard singing on the air. Enclosed you will also find a new program schedule for your reference.

It's my earnest hope that "Spotlight" will not only bring you songs and music, but will also provide you with entertainment as well as information. If you wish to know more about the singer or if you want to have the songs of a particular singer played on the air, feel free to drop me a line. Once again, thank you so much for being one of my dear friends on the air!

Thoughtfully yours,

Jade Lim
